Distributors, retailers, and other resellers of Shure products, together with their employees, agents and families, are not eligible for rebates, nor may Shure product distributors, retailers, resellers, or their employees, agents or families claim rebates on behalf of end user purchasers. Applicable rebate amount specified above is for each qualifying new Shure wireless system and, if applicable, Shure component purchased, provided that a rebate claim is properly made in accordance with this offer (including a proper trade-in for each Shure system or component purchased). Such rebate claims need not be honored. Keep copies of documentation submitted for your records. Offer open to U.S. residents only. This rebate offer is void where taxed or prohibited by law. In any event, rebate recipients are solely responsible for any taxes imposed on their rebates. Rebate recipients should allow at least 6 to 8 weeks for Shure to send their rebate checks. Shure reserves the right to reject wireless systems or components submitted to Shure as part of a rebate claim if Shure determines that any part of the systems or components were not in working condition at the time of their submission or the systems or components were not genuine product acquired by the end user purchaser in a *bona fide* sale (e.g., counterfeit products). Shure also reserves the right at any time, without notice, to suspend, terminate, or alter in any respect this rebate offer or any related terms or conditions. Shure decisions regarding rebate eligibility and other matters related to this rebate offer are final.
